Health One Credit Union Achieves Highest Rating

May 2010: In these tough economic times, it is important to know there are financial institutions that are strong, secure, and ready and able to assist their communities. **Health One Credit Union, Detroit, Michigan** is one such institution – dedicated to getting Main Street back on its feet. Since it exhibits overall financial superiority in such areas as: capital adequacy, delinquent loan levels and profitability, **BAUERFINANCIAL, Inc., Coral Gables, Florida** is proud to bestow its highest 5-Star Superior rating upon Health One Credit Union.

“The unstable economic picture, both on Wall Street and on Main Street, makes it all the more important to recognize those financial institutions that are strong and stable,” remarks Karen L. Dorway, president of BAUERFINANCIAL. “The institutions that played by the rules and did not compromise their lending standards are the same institutions that stand ready to help build the economy back up. Health One Credit Union is an excellent example of this community spirit.”

Established in 1957, Health One Credit Union has been serving the banking needs of its members for 53 years. It operates through three conveniently located offices in Detroit and Southfield, Michigan and in Cleveland, Ohio and can be found on the Internet at www.add.com.
